NOTICE.**For Medical Practitioners, Druggists and Chemists.**

IN consequence of the spread of the morphia habit in Rangoon, action has recently been taken by the Government of Burma to restrict dealings in the drug in that province. The result of the action is that the drug may now be imported otherwise than by Government by the following persons only:—

(a) A medical practitioner, if the morphia is produced out of India and is imported by sea. A medical practitioner is defined as a person who has been registered under the English Medical Act or who has received a medical diploma from an Indian University and practices medicine according to European methods.

(b) Any pharmacist duly authorised by the Financial Commissioner of Burma to import morphia in such quantities and on such conditions as the Financial Commissioner may prescribe. A pharmacist is defined as a person who deals in European medicines and drugs as a means of livelihood and who has been licensed to sell morphia retail.

It has been decided for the present to grant only one license for import by a pharmacist, namely, to the firm of Messrs. E. H. de Souza and Company, Rangoon, and to limit the quantity of morphia which can be imported by them at one time to 100 oz.

As there is some reason to fear that chemists and druggists in Calcutta may send consignments of morphia to Burma in ignorance of the regulations mentioned above, this notice has been issued to make the regulations known to them.

CORPORATION OF CALCUTTA.

PROPOSED RULES.

1. Except as in these rules otherwise provided every officer and servant of the Corporation through whose hands Municipal money passes shall furnish Cash security, which should, as a rule, be 10 per cent. in excess of the maximum amount likely to be in his custody at one time, with a bond in Form A.

In special cases in which the application of this rule would cause hardship, the Chairman may reduce the amount of security as far as he may think necessary subject to an appeal to the Corporation whose orders shall be final.

2. Store-keepers and stock-takers, whether appointed permanently or temporarily, shall furnish cash security with a bond in Form A, the amount being regulated according to circumstances by the Chairman, subject to the approval of the Corporation.

3. The rule that every officer and servant who handles Municipal money shall give cash security, shall not be enforced in the case of durwans, peons and orderlies, but in future no durwan peon or orderly shall be appointed, unless he can furnish a security bond (executed by some person of known respectability and solvency), for his good and honest conduct in the following form:—

"I know A. B. of

son of

to be an honest man, and I agree to forfeit Rs.

if called upon to do

so, should he be proved to have embezzled, stolen, misappropriated, misapplied or unlawfully disposed of any money, securities for money goods or property belonging to or in the possession, care, charge or custody of the Corporation of Calcutta or paid or entrusted to or in the possession, care, charge or custody of the said

in the course of his employment as a servant of the

Corporation.

The amount of such bond shall be in the case of durwans, peons or orderlies drawing a monthly salary of Rs. 10 or more Rs. 50, and in other cases Rs. 25.

Native Military pensioners employed as durwans, peons or orderlies, are exempted from the operation of this rule.

4. In all cases when an officer or servant is a member of the Provident Fund and has subscribed to the declaration in the form prescribed in the Provident Fund rules, agreeing to be bound by the rules of such Fund, the amount of cash security furnished by him may be reduced by the amount of his contribution to the Fund, and the cash security be annually withdrawn up to that amount. The security of an officer or servant of '20 years' pensionable service or upwards may be diminished by a sum calculated on his monthly pay multiplied by 25, with the proviso that the security shall in no case be diminished by more than one-half.

5. The amount of the security of the Treasurer, Collector and License Officer shall not be regulated by the principles enunciated in these rules, but shall be determined by the Corporation from time to time according to the special circumstances of their appointments, and if necessary, a special form of bond shall be executed by the officers named in this rule.

6. All officers and servants who have to furnish security in the sum of Rs. 100 or upwards, shall give it in the form of Government Promissory Notes, Calcutta Municipal Debentures or Calcutta Port Trust Debentures.

In the case of officers and servants who have to furnish security of less than Rs. 100, the amount of cash deposited by the officer shall remain with the Corporation, by whom no interest shall be allowed. Provided that with the sanction of the Chairman the amount so deposited may be placed in the Post Office Savings Bank as a security deposit, the pass-book remaining in the custody of the Chairman.

7. If an officer or servant already in the service of the Corporation is unable to furnish the full amount of security due from him in a single payment, he may, at the discretion of the Chairman, be permitted to pay it by monthly instalments of not less than one-fourth of his pay, within a maximum period of five years.

The forms of bond to be used in cases where security is furnished in instalments are given in Forms B and E.

8. Personal security bonds (with sureties as in Form C) for good and honest conduct, in the sum of Rs. 1,500 shall be taken from the record-keeper, and in the sum of Rs. 250 from Accountants, Assistant Record-keepers, Head Clerks, Bill-writers and the Contract Clerk, provided that the amount of the security Bond shall not exceed Rs. 150 in the case of Bill-writers and any other officers or servants of these classes whose salary does not exceed Rs. 80. The amounts may be reduced, after 20 years' pensionable service as laid down in Rule 4.

Any officer or servant named in this rule may, if he prefers it, deposit security in cash or in Government Promissory Notes, Calcutta Municipal Debentures or Calcutta Port Trust Debentures, with a bond without sureties in Form D for the amount prescribed above in lieu of a bond with sureties. When an officer or servant named in this rule wishes to deposit securities in cash but is unable to furnish the whole of the security at once he shall execute a Bond in Form C and shall furnish sureties to the satisfaction of the Chairman until the full security is deposited.

9. When an officer or servant is transferred to another appointment and it becomes necessary to demand a higher amount of security from him owing to the increased responsibilities of the new post, no fresh bond need be executed, but a memorandum (to be signed by the Principal and his Sureties) shall be endorsed on the bond, giving particulars of the additional security and the manner in which it has or will be deposited. It shall also be expressly stipulated that the terms of the bond with regard to the security originally deposited are to be applicable to the additional security. Similar endorsements (to be signed as mentioned above), shall be made when the amount of security is reduced. When any such endorsement is made on a registered bond the memorandum shall also be registered.

Provided that, when any such officer or servant is appointed to act in a higher post for a period of not more than three months, the security already deposited by him whether in the form of cash Government Promissory Notes, Calcutta Municipal Debentures or Port Trust Debentures, or in the form of personal security as required by rule 8, shall generally be deemed to be good and sufficient.

10. Government Promissory Notes or Debentures of the nature aforesaid, or cash lodged as security shall be returned after the expiration of six months from the date when the officer or servant by whom the security was deposited ceased to be in the service of or employed by the Corporation unless the Chairman otherwise direct. Security bonds shall ordinarily be cancelled and returned before the expiration of one year from the date when the officer by whom the bond was granted ceased to be in the service of or employed by the Corporation.

11. A register of securities shall be kept in the following form:—

NOTICE.

For Medical Practitioners, Druggists and Chemists

IN consequence of the spread of the morphia habit in Rangoon, action has recently been taken by the Government of Burma to restrict dealings in the drug in that province. The result of the action is that the drug may now be imported otherwise than by Government by the following persons only:—

(a) A medical practitioner, if the morphia is produced out of India and is imported by sea. A medical practitioner is defined as a person who has been registered under the English Medical Act or who has received a medical diploma from an Indian University and practices medicine according to European methods.

(b) Any pharmacist duly authorized by the Financial Commissioner of Burma to import morphia in such quantities and on such conditions as the Financial Commissioner may prescribe. A pharmacist is defined as a person who deals in European medicines and drugs as a means of livelihood and who has been licensed to sell morphia retail.

It has been decided for the present to grant only one license for import by a pharmacist, namely, to the firm of Messrs. R. H. de Souza and Company, Rangoon, and to limit the quantity of morphia which can be imported by them at one time to 100 oz.

As there is some reason to fear that chemists and druggists in Calcutta may send consignments of morphia to Burma in ignorance of the regulations mentioned above, this notice has been issued to make the regulations known to them.
